**Y**ucaipa Valley Christian School District is founded on a partnership with local evangelical churches and individuals throughout the Yucaipa-Calimesa area, to support and encourage Christian school education.

We believe that the Christian community is responsible to provide a visible witness of the working body of Christ to students in the school district, as well as to underwrite the cost of tuition. The district is committed to provide an excellent academic education which fully integrates a Christian worldview.

With Yucaipa Christian Schools as an established kindergarten through sixth grade campus, the long-range goals of YVCSD encompass the development of:

- A complete K-12 System
- Preschool Feeder Programs
- Multiple Campuses
- Broad-based Community-wide Financial Support
- Broad-based Individual Christian Membership from All Evangelical Churches in the Community

As we strive to attain our vision, YVCSD will develop programs, strategies, and methodologies, within the context of Biblical principles, producing students with a Christian worldview who:

- Are well-prepared in all academic disciplines
- Are committed to life-long learning
- Can articulate and defend their Christian worldview while having a basic understanding of opposing worldviews
- Understand and commit to a personal relationship with Jesus Christ
- Respect and relate appropriately with integrity to the people with whom they work, play, and live
